

The image is a detailed architectural site plan for a proposed bicycle lane and greenway. The plan is oriented with North at the top. A prominent blue line, labeled 'ŚWIATŁOCIECZNO' in large blue letters, runs diagonally from the bottom right towards the top center. A green line, labeled 'LĄCZY ARKUSZ P-01-02' in large green letters, runs horizontally across the middle of the plan. The plan shows various building footprints, some labeled with 'm2' and 'm3'. There are numerous engineering annotations, including elevations (e.g., 109.50, 109.42, 109.32), dimensions, and symbols for trees and landscaping. A bicycle symbol is placed near the intersection of the green and blue lines. The plan also shows a road with a dashed center line and a solid edge line. The overall layout suggests a new urban infrastructure project in an existing built-up area.
