

# Suprema Orion screen

Suprema Orion screen

### Part View

Designed for fast and convenient assembly

Unique locking design

Frame connector (250" and up)

Frame connector (250" and up)

Reliable and sturdy angle design

extremely durable transporting case (made of LLDPE, suitable for sizes 250" and up)

Double layer durable case (made of LLDPE, suitable for size up to 200" )

## Product Features >>

- Special Design**  
The foldable aluminum structure is light, convenient, easy to carry and store.
- Smooth Surface**  
When the large sized screen is placed on the frame, it is secured in all 4 corners to keep the screen taut at all times.
- Convenient and Versatile**  
The packaging is easy and the product is versatile . No tools are needed and all pieces come with their own turn knobs. Set up (including the 200" and up) only takes minutes . Screen and stand are protected in a durable transporting case made with LLDPE. For size up to 200", the screen fabric and frame are packaged seperately in two layer.
- Location**  
It is suited for various venues such as exhibitions, concerts, banquets, conferences, and etc.
